

## ACES School Success Plan Year 2 Update June 2010

GOALS	RESULTS	INDICATORS USED
<p>By February of each school year from 2009 to 2011, 90% of the Cycle 1-1 students will recognize all the lower case letters and will know 75% of their letter sounds (21/28).</p>	<p>2009 100% of the students are able to identify all the lower case letters and know 75% of their letter sounds.</p> <p>2010 Both goals reached. All students but one recognize their letters and all know at least 75% of letter sounds.</p>	<p>Early Intervention Letter ID</p>
<p>By the end of each school year from June 2009 to June 2011, 90% of the Cycle 1 and 2-1 students will increase their individual reading level by one grade level (DRA).</p>	<p>2009 64% of the cycle 1-1 students increased their individual reading level by one grade level, and 100% of them increased by over half a year's growth. 100% of the cycle 1-2 students increased their individual reading level by one grade level. 100% of the cycle 2-1 students increased their individual reading level by one grade level.</p> <p>2010 Grade 2 Objective met. 100% of students increased by at least one grade level between June 2009 and June 2010. Grade 3. Objective not met. There are 5 students who did not go up one grade level and 3 for whom we have no data for last year. Out of 17 students 10 are at grade level or above.</p>	<p>DRA</p>
<p>By June 2009, 80% of the 2008-2009 Cycle 1-1 students will increase their individual French reading level by one grade level (Alpha Jeunes), and will</p>	<p>2009 It is difficult to measure this objective since the initial assessment was completed in February 2009, which only allows for a three-month growth. This will be measured at the end of cycle 1-2 (June 2010).</p>	<p>Alpha Jeunes</p>

<p>continue to increase it by one level each year for the next two school years.</p>	<p>2010          Grade 2 Objective met.          All students but 2 increased by at least one grade level. (They are still in the grade 1 range)          6 students are in the Grade 2+ range and the rest are in the Grade 3+ range for FSL students</p>	
<p>By June 2009, 85% of the cycle 3 students will increase their level of fitness (endurance and strength) by one level.</p>	<p>2009          Objective not met. 95% of the cycle 3 students remained or increased their level of fitness, of which 72% increased their level of fitness by one level.</p> <p>2010          Objective met. Three times during the year students performed the fitness test and over 85% improved by one level.</p>	<p>Canada          Fitness Test</p>
<p>During a specified length of time in the Spring of 2009, 2010, and 2011, 90% of the Cycle 3 students will be involved in a daily physical activity outside school, and will complete a log book reporting on it to the physical education teacher.</p>	<p>2009          Objective met.</p> <p>2010          Objective partially met. Most students were involved in a daily activity outside of school but the log books were not kept up to date so this was impossible to monitor. Next year a different method a collecting data (possibly an Excel sheet) will be used.</p>	<p>Teacher          Check list</p>
<p>At the end of the school years 2009, 2010, and 2011, the 81% parent survey response that bullying is not a problem at school (Low 1, 2) will be maintained.</p>	<p>2009          Objective not met. There was a decrease from 81% to 70% that bullying is not a problem at school (Low 1, 2). The areas that need to continue to be addressed are verbal bullying (ex name calling, put downs) &amp; emotional bullying (ex purposefully left out).</p> <p>2010          The responses to the June 2010 bully survey are not in yet. However, we do not anticipating meeting the goal again this year.</p>	<p>Parent          Survey</p>
