

ACES Newsletter

June 1, 2011

Dates to Remember

Attached to this newsletter and posted on the website is a calendar with all the important end-of-year events.

Outside Weather

Starting June 6th, on nice days students will be able to eat outside on Monday and Wednesday. This will continue through June as long as there is no garbage left outside after eating. Students will bring home all wrapping, packaging and leftovers. Be sure your child has applied sunscreen in the morning.

Home & School

A huge THANK-YOU to the members of the ACES Home & School for all their hard work throughout the year to raise money and contribute to school life. The Home & School supports so many activities that benefit students, including over \$5000 to reduce the cost of student trips.

End of Year BBQ

For Grades 1-6, our end-of-year hot dog BBQ will be held at our last day event at the beach - Thursday, June 23rd. This BBQ is offered free of charge and is another example of the generosity of the Home & School. Kindergarten children are not going to the beach that day and will have an alternate lunch at school.

Severe Peanut Allergy

A reminder that any food containing peanuts or made with peanut oil is prohibited at school again next year. Thank you for your cooperation and understanding to make ACES safe for all students.

Summer Learning Camp

We will be holding a summer learning camp at ACES from August 8-11 and 15-18. Research shows that students involved in a structured learning experience over the summer will do better when they go back to school in the fall. Our experience from past years has the same results. For more information in this 8-day learning camp, please contact Rebecca Mckelvey at 819-838-4983 or mckelveyr@ped.etsb.qc.ca by June 16th

Calling all volunteers to help at ACES!! We would like to start a breakfast program in the fall and we will need help from parents, grandparents, friends of the school, etc. If you are available to help one or two days a week (for an hour) please contact the school. Thank you in advance for your support.

School Supplies and fees for 2011-12

These lists will be with your child's report card. Please check the list of articles that you might want to buy during the summer and keep in mind that in September, you will be asked to send in the school fees. As in previous years, you have the option to pay by instalments.

Moving during the summer?

Please inform the school office if you are moving during the summer. This will help make sure your child is on the right bus at the beginning of 2011-2012 school year.

On behalf of all the staff at ACES, we wish you and your family a great summer!

Steve Weary, Principal
Del Springate, Head Teacher
